<input type="radio"/> No <input type="radio"/> Yes	Acute	1. Operating a motor vehicle without having in effect the required minimum levels of financial responsibility coverage. 387.7(a)
<input type="radio"/> No <input type="radio"/> Yes	Critical	2. Failing to maintain at principal place of business required proof of financial responsibility. 387.7(d)
<input type="radio"/> No <input type="radio"/> Yes	Acute	3. Operating a passenger carrying vehicle without having in effect the required minimum levels of financial responsibility. 387.31(a)

FleetMentor guides you through the various areas of and FMCSA audit so that you can evaluate all of the areas of your operation.

After completing the audit, FleetMentor provides you with a safety rating based on the number and type of violations you assessed.

Once you receive your safety rating, FleetMentor provides you an easy to use template for creating Corrective Action Plans and setting follow-up activities. If the FMCSA comes knocking on your door, show them you are proactive in your operation.
