GLOSSARY

The FleetMentor Glossary provides definitions for terms and abbreviations. Search for terms alphabetically or by using the Glossary Search in the left navigation panel.

A B C D E F G H I J K L M N O P Q R S T U V W X Y Z Numbers

A Train
Combination of vehicles composed of a truck tractor, a semi-trailer, and either an A dolly and a semitrailer, or a full trailer.

AA – Atomic Absorption
Absorption of electromagnetic radiation at discrete wavelengths by atoms. The quantity of absorbed radiation is a measure of the concentration or amount of that atom in the sample.

Accident
(1) Except as provided in paragraph (2) of this definition, an occurrence involving a commercial motor vehicle operating on a highway in interstate or intrastate commerce which results in: (i) A fatality; (ii) Bodily injury to a person who, as a result of the injury, immediately receives medical treatment away from the scene of the accident; or (iii) One or more motor vehicles incurring disabling damage as a result of the accident, requiring the motor vehicles to be transported away from the scene by a tow truck or other motor vehicle. (2) The term accident does not include: (i) An occurrence involving only boarding and alighting from a stationary motor vehicle; or (ii) An occurrence involving only the loading or unloading of cargo.

The FleetMentor Glossary provides definitions for terms and abbreviations. You can search for terms alphabetically or by using the Glossary Search.

SITESIDE SEARCH

Search the FleetMentor website.

Enter your search word(s) or phrase(s):

Search for: All Words Any Words Exact Phrase

Include "near matches"? Yes No

The Sitewide Search provides you with the ability to search the entire FleetMentor service for reference materials, training programs, and interactive tools on a particular subject.
